KEEP AN EYE OUT FOR NEW ADDITIONS TO THIS LIST REGULARLY!

At **Ortech Industries Inc.** you can find solutions to all your lighting, electrical & HVAC needs. From our humble beginnings in 2004, when we were just a small supplier specializing in a few select markets; we have now cemented ourselves as industry leaders across North America. Through efficient use of our network in Hong Kong and China, we have delivered a wide range of innovative and economical lighting, electrical & HVAC products.

Ortech is an industry leader in **LED lighting, LED fireplaces and ventilation fans**. We also offer items like electrical boxes and metal plates, making us your electricians favourite one-stop shop. All our products are certified by the necessary American and Canadian standards, and are primarily distributed through lighting showrooms, electrical wholesalers and HVAC distributors.

ORTECH reserves the right to modify at any time, without notice, any or all of our product's features, designs, components and specifications.

Ortech products are distributed in North America by **Crown Distributors Ltd.**
