LED Closet Lights

ORTECH

MODEL 1051

WARNING

WARNING — THE INSTALLATION MUST BE CARRIED OUT BY A QUALIFIED ELECTRICIAN.

1. LED Closet Lights are suitable for using in dry and damp locations
2. Please keep the LED Closet Lights away from any corrosive substance, and please use dry or damp cloth when you clean it
3. LED Closet Lights can only be installed by a qualified electrician
4. Before installation or maintenance, please disconnect the power to prevent electric shock

Application Notice

1. RISK OF BURN — Allow fixture to cool completely before handling
2. To avoid fire shock or death, turn OFF power at circuit breaker or fuse and test that power is OFF before wiring
3. Keep combustible and other materials that can burn away from the light, lamp and lens
4. To be installed and/or used in accordance with electrical codes and regulations
5. DO NOT use with dimmers, motion activated controls or illuminated switches
6. Follow these instructions exactly to maintain polarity of a correctly wired system
7. DO NOT exceed maximum voltage marked on the label
8. Minimum +90°C supply conductors

CAUTION

PLEASE READ INSTRUCTION BEFORE COMMENCING INSTALLATION AND RETAIN FOR FUTURE REFERENCES.
**Electrical products can cause death or injury, or damage to property.**
If in any doubt about the installation or use of this product, consult a competent electrician.
