

WARNING

WARNING — THE INSTALLATION MUST BE CARRIED OUT BY A QUALIFIED ELECTRICIAN.

1. LED Puk Lights are suitable for using in damp locations
2. Please keep the LED Puk Lights away from any corrosive substance, and please use dry cloth when you clean it
3. LED Puk Lights can only be installed by a qualified electrician
4. Before installation or maintenance, please disconnect the power to prevent electric shock

Application Notice 1. Before installation, cut off the power supply at the electrical panel

CAUTION

PLEASE READ INSTRUCTION BEFORE COMMENCING INSTALLATION AND RETAIN FOR FUTURE REFERENCES.

Electrical products can cause death or injury, or damage to property.

If in any doubt about the installation or use of this product, consult a competent electrician.

INSTALLATION GUIDE

1. Cut a 2.1" (55 mm) hole in the suitable position
2. Connect the wires on the light to the power supply, RED wire to positive (+) wire, BLACK wire to the negative (-) wire
3. Insert the LED Puk Light into the cut hole. Once assembly is complete, turn the power ON to ensure the fixture is operating properly
